All dead animals shall be disposed of by the owner or keepers within 24 hours of the animal's death, by burial, incineration in a facility approved by the animal control officer, by rendering or by other lawful means approved by the animal control officer. No dead animal shall be dumped on any public or private property. (Ord. 87-13, Sec. 12; Code 1988, 2-112)

2-114. VICIOUS ANIMALS. (a) Prohibited: It shall be unlawful for any person to keep, possess or harbor a vicious animal within the city. Impoundment of animals whose owners have been cited for violation of this section shall be at the discretion of the animal control officer. If the animal presents a clear and present danger to the public health or safety, it shall be the duty of the animal control officer or his or her agent to impound such animal.

(b) Defined: For purposes of this chapter a vicious animal shall include:

(1) Any animal with a known propensity, tendency or disposition to attack unprovoked, to cause injury or to otherwise endanger the safety of human beings or domestic animals; or

(2) Any animal which attacks a human being or domestic animal without provocation;

(3) Any animal owned or harbored primarily or in part for the purpose of fighting or any animal trained for fighting;

(4) Any animal which is urged by its owner or harborer to attack, or whose owner or harborer threatens to provoke such animal to attack, any law

enforcement officer while such officer is engaged in the performance of official duty.

(c) Complaint: Whenever a sworn complaint is filed in the municipal court against the owner of an animal alleging that such animal is vicious and in violation of this section, the municipal judge shall hold a hearing to determine whether or not the animal is vicious within the meaning of this section and thereby in violation of this section. The owner of the animal shall be notified in writing of the time and place of the hearing at least one week prior to the hearing. In making a determination, the municipal judge shall consider the following:

- (1) The seriousness of the attack or bite;
- (2) Past history of attacks or bites;
- (3) Likelihood of attacks or bites in the future;
- (4) The condition and circumstances under which the animal is kept or confined;
- (5) Other factors which may reasonably relate to the determination of whether or not the animal is vicious.

The municipal judge shall order the impoundment, the muzzling in accordance with subsection (d) and/or the confinement of the animal accused of being in violation of this section in a manner and location that will insure that it is no threat to persons or other animals pending the outcome of the hearing. If such impoundment, muzzling or otherwise safe confinement is not possible or if prior court orders to restrain such animal have gone unheeded, the municipal judge may order the animal immediately destroyed.

(d) Vicious Dogs to be Muzzled: It shall be the duty of every owner, keeper or harbinger of any dog in the city, which dog is vicious or has been known to bite, chase, or run after any person or animal in the streets, alleys, or any public place in the city, to keep the same muzzled with a good and sufficient wire or leather muzzle, securely fastened so as to wholly prevent such dog from biting any animal or person until such time as a determination has been made by the court as to whether the dog is vicious or not. Any person owning, keeping or harboring any dog within the city limits contrary to this section shall be guilty of a violation of this code.

(e) Immediate Destruction: Nothing in this chapter shall be construed to prevent the animal control officer or any law enforcement officer from taking whatever action is reasonably necessary to protect himself or herself or members of the public from injury or danger, including immediate destruction of any vicious animal without notice to the owner.

(f) Release of: If a complaint has been filed in the municipal court against the owner of an impounded animal for a charge under this section, the animal shall not be released except on the order of the municipal judge, who may also direct the owner to pay all impounding fees in addition to any penalties for violation of this chapter. The municipal judge may, upon making a finding that an animal is vicious or that it represents a clear and present danger to the citizens or to other animals in the community, order the animal to be destroyed in a humane manner by the animal shelter. Surrender of an animal by the owner thereof to the animal control officer does not relieve or render the owner immune from the decision of the court, nor to the fees and fines which may result from a violation of this section.

(Ord. 87-13, Sec. 13; Code 1988, 2-113)

- 2-115. ANIMALS AND FOWL RUNNING AT LARGE PROHIBITED. (a) It shall be unlawful for the owner or any person having the care, custody or control of any animals to:

The impounding officer shall make diligent inquiry as to the owner of the animal and shall notify the owner thereof of such impoundment as soon as reasonably possible.
- (b) The city shall be entitled to receive from such owner an impoundment fee of \$35 plus the actual cost of feeding and maintaining the animal while impounded.
- (c) In case the identity of the owner of the impounded animal or fowl cannot be ascertained, the animal control officer or police officer shall, upon taking any such animal into custody and impounding the same, make a record thereof, with a description of the animal and the date and place taken into custody and the place of impounding, and shall thereupon immediately post a public notice stating that the animal, describing the same with the date and place of taking, has been taken up, and that unless the charges of impounding the same, together with any license fees due and unpaid, are paid within three business days from the date of the notice, that the animal will be disposed of as provided in this code.
- (d) The animal control officer shall each month submit a report to the city clerk showing the number of animals impounded and disposed of, and the fees collected pursuant to this article and shall pay those fees to the city clerk for credit to the general operating fund.
- (e) Section 2-206 shall apply to the impoundment of dogs and cats running at large, and Section 2-115 shall not apply to dogs and cats.  
(Code 2015)

animal is suffering from a disease and, if not, the local health officer shall authorize the release of the animal upon payment by the owner of the boarding fee therefore. The health officer may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. Impoundment costs shall be borne by the owner. If in the opinion of the local health officer symptoms develop justifying a microscopic examination, then the animal shall be killed and examination made by the state board of health.

(b) In lieu of the provisions of subsection (a), the owner of any such animal may, at his or her own expense, take such animal to any duly qualified and licensed veterinarian in the city for observation. Such veterinarian shall report his or her findings in writing to the local health officer. If in the opinion of such veterinarian a microscopic examination is justified, then the animal shall be turned over to the animal control officer or any law enforcement officer to be killed and examination made by the state board of health.

(c) Any animal desired for observation by the local health officer under this section shall be delivered to the animal control officer or any law enforcement officer upon demand and shall not be withheld, hidden or harbored. Any person violating this provision shall be guilty of a violation of this code. Upon refusal of any person to so deliver such animal, the municipal judge shall cause a warrant to be issued for the arrest of such person, which warrant shall also provide for the surrender of the animal and shall be lawful authority for the apprehending and forcible taking of such animal. (Code 2015)

The health officer may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. Impoundment costs shall be borne by the owner. (Ord. 87-13, Sec. 14; Code 1988, 2-114)

2-119.

**ANIMALS BITTEN BY RABID ANIMALS.** Whenever a dog, cat or other animal is bitten by a rabid animal or an animal later proved to have been rabid, it shall be the duty of the owner of the animal that is bitten, to report that fact to the local health officer and/or the police department. It shall also be the duty of the owner of the bitten animal to either destroy or have his or her bitten animal destroyed unless:

Any animal not confined during such time may be disposed of wherever found by any police officer, or the animal control officer of the city. The owner of such animal shall be prosecuted for such violation thereof.

If the city clerk has not received any protest against the kennel, the city clerk may issue a renewal of an existing kennel license at the same location without any report from the animal control officer and zoning code enforcement officer. If the animal control officer or the zoning code enforcement officer finds that the holder of any kennel license is violating any zoning law, or any other law of the State of Kansas, or of the city, or is maintaining the facility in a manner detrimental to the health, safety or peace of mind of any person residing in the immediate vicinity, he or she shall report such fact to the city clerk, and the license shall not be renewed except after a public hearing before the governing body.  
                  (c) The animal control officer, the zoning enforcement officer, or any law enforcement officer shall have the right to inspect any premises licensed under this section at any reasonable time and nothing shall prevent the entry onto private property for the purpose of inspection. The application for a kennel shall constitute consent to such entry and inspection.  
                  (d) The governing body may suspend or revoke a kennel license if, pursuant to a public hearing, it finds any of the following:  
                      (1) The kennel is maintained in violation of any applicable law of the State of Kansas, or of the city.
