Re: Future Odor-X use at the City of Galena's construction and demolition landfill, Permit 738, Galena, CK Co.

Dear Mads, Michelle and Tracy:

I am writing to acknowledge receipt of Mads October 7th proposal to use Odor-X on an as-needed or regular application basis at City of Galena construction and demolition landfill. This proactive proposal is appreciated and approved. When applying Odor-X it is requested that the application date, amount, approximate application area, and the application's rationale and results be recorded. This information could prove useful for future evaluation of the product's odor control efficacy,

The City of Galena's and Jordan Disposal LLC's cooperation with the Kansas solid waste program is appreciated. If you have questions regarding this letter, please contact me at 620-860-7242 (direct) or 620-431-2390, or by e-mail to charles.bowers@ks.gov. Because the Bureau of Waste Management is attempting to reduce paper use and postage this comment letter is only being sent by e-mail.

Sincerely,

Charles Bowers, P.E.
Bureau of Waste Management, Chanute
